

Donkey balls. In dark chocolate.

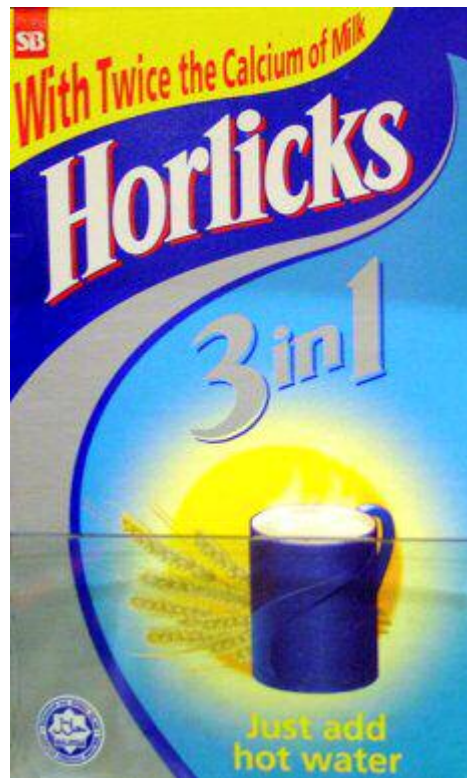

A bimbo sandwich sounds good right now.

Guaranteed to make you go mad.

Oooh, you are offal! Brain faggots from England.

Horlicks. Think about it.

Of course they have to pronounce it Co-burns.

I'm not a fan of Indian Gits.

Fart juice from Poland. And look, it's all natural.

Finger Marie? I wouldn't touch her!

Want to eat some Fanny?

Peruvians like theirs grated.

How can I possibly comment on this?

Nibble Nobby's Nuts? No thanks, I think I'll pass.

You can take your cocoa powder and...schovit?

What the hell is a Pocari? And why would I want to drink its sweat?

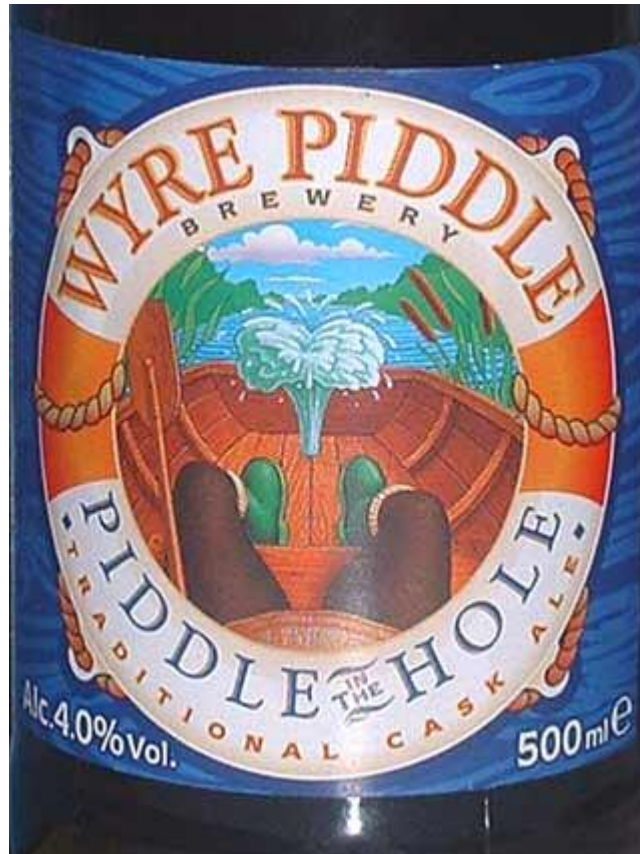

Apparently also comes in salty flavour. Honest!

Potato pricks...scrummy...

Piddle in the hole. As you would.

A Japanese favourite, apparently.

Talk about wholesome.
